# WHAT OUR CUSTOMERS ARE SAYING

"It was a great experience, product as described and arrived very fast."

-Antonia S.

★★★★★

"Good follow up after the sale. Product holds up better than anything else we have tried."

-John R.

★★★★★

"You can't beat their customer service; they have helped me several times with technical related problems. and you can't ask for a better product, lifetime guarantee on their commercial grade printers. I have 3 working practically all day. Nobody does that. I mean **NOBODY!**"

-Steven H.

★★★★★

"Such a great partner in the business of safety."

-John M.

★★★★★

"extremely fast delivery!"

-Jenelle S.

★★★★★

"The whole process, from deciding what I needed to arrival of the product went smoothly. I will definitely reorder and recommend using Creative Safety Supply."

-Linda S.

★★★★★

Overall Satisfaction Rating

★★★★★ 4.7

## Printer Family

Durable, reliable, and backed by a free lifetime warranty, LabelTac® printers are the ideal solution for your sign printing needs, both indoors and out.

Whether you need a basic printer, full featured workhorse, or a large format label and sign printer, LabelTac® has got you covered.

And with the included LabelSuite™ software, no design skills are required to print the perfect label or sign.

- ▶ LIFETIME printer warranty and support
- ▶ Huge cost savings over other printers/methods
- ▶ 5-year outdoor life guarantee on most supplies
- ▶ Large format models and supplies available for printing signs up to 9" tall

LabelTac® 9  
Page 24

LabelTac® Pro X  
Page 6

### LabelTac® Pro X

Larger supply and ribbon capability. Faster print time. This printer sets the bar for performance.

### LabelTac® 9

Metal chassis and housing. Prints media up to 9" tall. Impressive performance.

### LabelTac® Pro 2

Full-featured but budget conscious. Same 300 DPI print quality as the others. Smaller footprint.

## High Tack Supply

High Tack Supply has an extra-aggressive adhesive, making it easy to keep labels stuck to those difficult spots.

- ▶ **Ideal for use on many types of rough or porous surfaces including brick and stone.**

	0.5" x 100'	1" x 100'	2" x 100'	3" x 100'	4" x 100'
<b>White</b>	LT0502OS	LT102OS	LT202OS	LT302OS	LT402OS
<b>PRICE</b>	<b>\$94.99</b>	<b>\$109.99</b>	<b>\$128.99</b>	<b>\$154.99</b>	<b>\$168.99</b>

## Oily Surface Supply

This label supply uses a specially formulated adhesive, designed to aggressively stick to greasy or oily surfaces.

### Apply labels on oily surfaces!

Can adhere to plastics coated with WD-40. Making it ideal for use in dirty work environments or on impossible-to-clean surfaces.

	0.5" x 75'	1" x 75'	2" x 75'	3" x 75'	4" x 75'

## Static Cling Supply

Designed for temporary or non-adhesive labeling. Static Cling Supply lets you place labels and signs on glass or other smooth surfaces without using adhesive.

## Marine Supply

LabelTac® Marine Label Supply is designed for locations that may come in contact with salt water. The adhesive is salt and freshwater-resistant, and your label will stay bold even when subjected to UV rays.

## Low Halide Supply

Halogens in some adhesives are known to corrode certain metals. To reduce the possibility of corrosion, this supply contains low levels of halogens.

▶ **Ideal for use on stainless steel surfaces.**

	0.5" x 150'	1" x 150'	2" x 150'	3" x 150'	4" x 150'

## Printable Cable Wraps

LabelTac® Printable Cable Wraps are designed so that the clear tail wraps around the cable and label, self-laminating and protecting the print underneath. This makes it great for organizing messy cables used in server racks, switches, and other networking equipment.

	1" x 70' 0.25" Printable	2" x 70' 0.5" Printable	3" x 70' 1" Printable	4" x 70' 2" Printable
<b>Yellow</b>	LT101WW	LT201WW	LT301WW	LT401WW
<b>White</b>	LT102WW	LT202WW	LT302WW	LT402WW
<b>Red</b>	LT104WW	LT204WW	LT304WW	LT404WW
<b>Green</b>	LT105WW	LT205WW	LT305WW	LT405WW
<b>Orange</b>	LT106WW	LT206WW	LT306WW	LT406WW
<b>Blue</b>	LT107WW	LT207WW	LT307WW	LT407WW
<b>PRICE</b>	<b>\$129.99</b>	<b>\$149.99</b>	<b>\$169.99</b>	<b>\$189.99</b>

### Self-Laminating Design

Remove the backing material from the wrap, apply the wrap to the cable, and bring the tail back up and over the print.

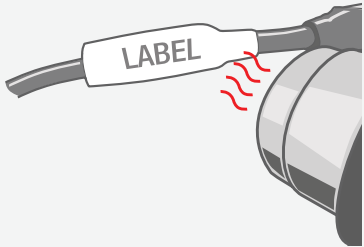

## Printable Heat Shrink Tubing

Printable Shrink Tubes are a great solution for marking and organizing cables. Simply print your text or symbols on the shrink tube, slide it over the cable, and heat with a heat gun or hair dryer.

	3/16" x 25'	1/4" x 25'	3/8" x 25'	1/2" x 25'	3/4" x 25'	1" x 25'
<b>Yellow</b>	LTB01SHK	LTC01SHK	LTE01SHK	LTF01SHK	LTH01SHK	L TJ01SHK
<b>White</b>	LTB02SHK	LTC02SHK	LTE02SHK	LTF02SHK	LTH02SHK	L TJ02SHK
<b>Black</b>	LTB03SHK	LTC03SHK	LTE03SHK	LTF03SHK	LTH03SHK	L TJ03SHK
<b>PRICE</b>	<b>\$89.99</b>	<b>\$99.99</b>	<b>\$109.99</b>	<b>\$119.99</b>	<b>\$139.99</b>	<b>\$179.99</b>

### Shrinks 3x Smaller When Heated

Using a heat gun or hair dryer, apply direct heat to the label from an appropriate distance, and the tube will shrink to 1/3 of its original size.

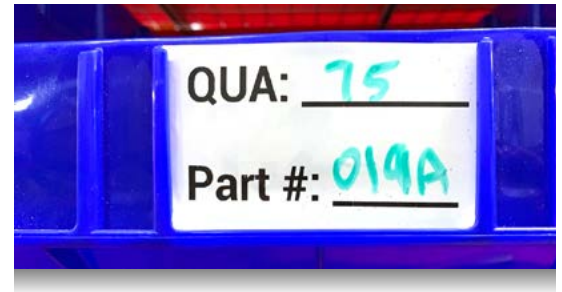

## Blank Continuous Header Supply

Make labels with custom headers. These labels are typically used to warn or notify people of something important. The top of each roll is pre-printed with a colored stripe and the remaining area is left blank.

	2" x 75' Header: 0.5"	3" x 75' Header: 0.75"	4" x 75' Header: 1.125"
<b>A</b> White w/ Red Header	LT204CNT	LT304CNT	LT404CNT

## Dry Erase Supply

Easily erase and add non-permanent, unprinted information. Ideal for checklists and labels with hand-recorded information such as production dates used in food processing and assembly processes.

## Optically Clear Supply

Transparency allows for background to show, resulting in a clean and professional look. Bonds effectively to plastics, painted metal, powder-coated paint, polycarbonate, fiberglass, and more.

	0.5" x 70'	1" x 70'	2" x 70'	3" x 70'	4" x 70'
<b>Clear</b>	LT0531	LT131	LT231	LT331	LT431
<b>PRICE</b>	<b>\$94.99</b>	<b>\$104.99</b>	<b>\$129.99</b>	<b>\$154.99</b>	<b>\$174.99</b>

### VOID Supply

Features a repeated VOID pattern which becomes permanently visible when someone attempts to remove the label.

	1" x 100'	2" x 100'	3" x 100'	4" x 100'
<b>White</b>	LT102TEV	LT202TEV	LT302TEV	LT402TEV
<b>PRICE</b>	<b>\$163.99</b>	<b>\$183.99</b>	<b>\$203.99</b>	<b>\$223.99</b>

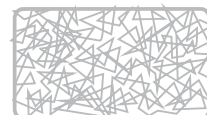

### Tamper Evident Supply

To prevent label tampering, these supplies provide foolproof methods for labeling tools and other valuables.

- ▶ **Prevent lost or stolen tools and valuables.**

### Destructible Supply

This label material fragments into small bits when removal is attempted.

	1" x 75'	2" x 75'	3" x 75'	4" x 75'
<b>White</b>	LT102TED	LT202TED	LT302TED	LT402TED
<b>PRICE</b>	<b>\$119.99</b>	<b>\$129.99</b>	<b>\$139.99</b>	<b>\$149.99</b>

<b>PRICE</b>	<b>\$109.99</b>	<b>\$119.99</b>	<b>\$139.99</b>	<b>\$159.99</b>	<b>\$179.99</b>

### Metallic Supply

This material has a brushed metallic finish and is ideal for use on name plates for office doors, plaques, and trophy plates. It also looks great as a product label or adhered to equipment.

	1" x 50'	2" x 50'	3" x 50'	4" x 50'
<b>White</b>	LT102ESD	LT202ESD	LT302ESD	LT402ESD
<b>PRICE</b>	<b>\$94.99</b>	<b>\$114.99</b>	<b>\$134.99</b>	<b>\$154.99</b>

Perfect for labeling offices, plaques, trophies, awards, products and much more.

### ESD Supply

ESD Supply helps eliminate static issues so printing is crisp and clean in all atmospheric conditions. It is also an ideal labeling supply for use on electrically-sensitive components.

## Blank Die-Cut Labels

Use these blank, white die-cut labels to create professional labels with rounded corners. These die-cut labels also allow you to print multiple labels on a roll instead of creating individually cut labels (by turning off the printer's cutter), which can make labeling in the field easier.

## UL 969-Approved Supply

UL 969-Approved LabelTac® Supply has been tested and is specifically engineered to endure and outlast conditions that are normally harsher for standard labels, such as extreme heat and acidic chemicals.

## Cold Application Supply

This label supply's adhesive is designed for application where temperatures remain below 40°F

Application temp.	Service use range	
<b>-10°F</b> min	<b>-40°F</b> min	<b>215°F</b> max

### Apply labels in always-cold environments!

Have a cold environment that can't be heated up to at least 46°F? This supply can be applied in temperatures as low as -10°F!

Please note: This product is not recommended for outdoor applications.

## Repositionable Supply

Suitable for indoor or outdoor use, this material can be removed and reapplied without losing adhesive strength. Ideal for labels and signs that may need to be moved or replaced.

## Low Halide Supply

Halogens in some adhesives are known to corrode certain metals. To reduce the possibility of corrosion, this supply contains low levels of halogens.

▶ **Ideal for use on stainless steel surfaces.**

**Doorway hazards exist in most busy facilities.**

**Reduce the risk of needless accidents with our Door Swing Signs.**

- Dozens of designs available to meet your specific needs.
- Half Swing and Full Swing options
- Durable Floor Sign material holds up well to foot traffic

**Size & Pricing Information**

See page 93 for more information about Door Swing Signs.

## Blank Continuous Header Supply

Make labels with custom headers. These labels are typically used to warn or notify people of something important. The top of each roll is pre-printed with a colored stripe and the remaining area is left blank.

## Dry Erase Supply

Easily erase and add non-permanent, unprinted information. Ideal for checklists and labels with hand-recorded information such as production dates used in food processing and assembly processes.

## Optically Clear Supply

Transparency allows the background to show through, for a clean and professional quality. Bonds effectively to plastics, painted metal, powder-coated paint, polycarbonate, fiberglass, and more.

## Tag Stock

Make your own pipe and valve tags with our LabelTac® Tag Stock! Simply print your label, punch a hole, and hang with either wire or zip ties. This supply comes in a continuous roll, allowing you to make tags of any length.

## Blank Die-Cut Labels

Use these blank, white die-cut labels to create professional labels with rounded corners. These die-cut labels also allow you to print multiple labels on a roll instead of creating individually cut labels (by turning off the printer's cutter), which can make labeling in the field easier.

### Size and Layout Options

	SKU	PRICE
<b>A</b> Blank, 4" x 6" (200 labels/roll)	LT46BNK-C	\$169.99
<b>B</b> Blank, 6" x 9" (100 labels/roll)	LT69BNK-C	\$229.99
<b>C</b> Blank, 8" x 12" (100 labels/roll)	LT812BNK-C	\$239.99

Transform your workplace with equipment labeling and asset tagging. Download this free guide to get started.

- ▶ Presents information in a simple, shareable format
- ▶ Explains the difference between equipment labeling and asset tagging
- ▶ Suggests tips and tricks for implementing tagging/labeling programs in your facility
- ▶ Outlines pros and cons of various types of labeling/tagging

**PLEASE NOTE:**

When purchasing Industrial Label Protection, we recommend getting a size that is 1"-2" wider than the label that it is covering. This allows for overhang past the edges of the label.

## Industrial Label Protection

Industrial Label Protection protects your labels in heavy traffic areas and can save labels from spills, chemicals, and tough cleaners.

### Standard (0.006"/6 mil)

	SKU	PRICE
1" x 75'	ILP0111	\$54.00

## Labels

Labels are an essential part of creating a visual workplace. These labels are equipped with the messaging needed to make your facility safer, easy to navigate, and OSHA compliant; they are built to withstand abrasions and fading, and are both water and chemical resistant.

- Easy application
- Strong adhesive for high durability
- Chemical, water, and smear resistant
- OSHA compliant

# How to Order Labels

Ordering the right labels is easy! Just follow the steps below. You can order directly online, by email, or give us a call.

## 1. Select design(s)

## 2. Choose size(s)

### FOR RECTANGULAR LABELS ▾

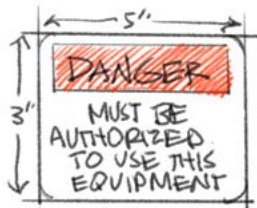

SIZE	PRICE/EA.
4" x 6"	\$4.75
6" x 9"	\$8.75
8" x 12"	\$12.75

### FOR SQUARE LABELS ▾

SIZE	PRICE/EA.
2" x 2"	\$1.25
3" x 3"	\$2.50
4" x 4"	\$3.75

## 3. Determine quantity (minimum of 2)

## Didn't find what you need?

We have thousands of label designs online (see the link below) on our searchable website, where you can order directly. If you still don't find what you need, we can help you design a custom label at no extra charge. Get exactly the label you need.

Call us or send an email to:

[custom@creativesafetysupply.com](mailto:custom@creativesafetysupply.com)

## Ready to order?

Three ways to order labels:

Order online:

# How to Order Pipe Marking Labels

Ordering the right pipe marking labels is simple - just follow the steps below to determine your final part numbers.

## 1. Choose contents

Browse through the pipe marking labels on the next two pages to find the right messaging for your facility. When you make your selection, take note of the **base part number**.

PM10105

## 2. Choose a size

Select the desired dimensions for your labels using the chart below. Take note of the **size code** listed in the middle column.

PIPE DIAMETER	LABEL SIZE*	SIZE CODE	PRICE/EA.
0.75"-1.25"	1"x8"	-XS	\$1.70
1.5"-2"	1"x8"	-S	\$1.90
2.5"-6"	2"x12"	-M	\$2.80
8"-10"	3"x24"	-L	\$5.90
10.1"+	4"x32"	-XL	\$7.10

\*Reflects min. required label size. Some labels may be longer.

## 3. Choose arrow option

Using the key below, choose whether or not you want arrows added to your pipe marking labels. Take note of the **arrow code**.

OPTION	ARROW CODE
Left Facing	-L
Right Facing	-R
No Arrows	-N

## 4. Complete final part number(s)

Combine the **base part number** with the corresponding **size code** and **arrow code** for the dimensions you've chosen to create the **final part number**. *In this example, the label is 1"x8" and contains a left-facing arrow.*

PM10105-S-L

# Pipe Marking Labels

Pipe marking labels make it easier for employees to identify pipes quickly, and these labels help your facility stay in compliance with ANSI/ASME standards. Browse the extensive library below for the pipe marking labels that meet your facility's needs.

- **Proven 5-7 year indoor/outdoor life**
- **ANSI/ASME compliant**
- **Smear and smudge resistant**
- **Service temp: -25° to 210°**

**Floor marking increases safety and improves communication.**

## Floor Marking

A facility that visually communicates is more efficient and productive. Floor tape can be used to create lanes, crosswalks, equipment parking areas, and more. Floor marking is available in most colors and can include stripes, reflective qualities, or glow-in-the-dark properties. Improve efficiency at your workplace with floor marking products.

## SafetyTac® 2.0

Virtually indestructible floor marking tape featuring ARMOR Technology™.

- DURABILITY ●●●●●●
- ADHESIVE ●●●●●●
- RIGIDITY ●●●●●●
- THICKNESS ●●●●○

### ✓ UNBEATABLE PERFORMANCE

SafetyTac® 2.0 sets the new standard for floor tape durability. Other floor tapes just can't compare.

### ✓ ARMOR TECHNOLOGY™

Specially engineered dense, flexible material that's impact resistant and virtually indestructible.

### ✓ SNAG-FREE

This tape has a low profile for snag-free transitions for carts and pallets.

		2" x 50'	4" x 50'
Yellow		SA201	SA401
White		SA202	SA402
Black		SA203	SA403
Red		SA204	SA404
Green		SA205	SA405
Orange		SA206	SA406
Blue		SA207	SA407
		<b>\$110.00</b>	<b>\$150.00</b>

SafetyTac® 2.0 is designed with ARMOR Technology™ to withstand the toughest industrial conditions. The denser material used in SafetyTac® 2.0 allows it to hold up to intense traffic; the tape has advanced pivot resistance so forklifts and other vehicles can turn directly on the tape without causing damage. The unique design of this tape allows carts and other small-wheeled equipment to pass over the lines without snagging. Similar to standard SafetyTac® tape, SafetyTac® 2.0 is resistant to wet conditions and chemical spills.

Material	ARMOR Technology™ PVC composite
Thickness	70 mil (0.070")
Adhesive	Reinforced rubber/cloth
Resistance	Industrial equipment, cars and trucks, forklifts and pallet jacks, heavy foot traffic, industrial scrubbers, water, many common chemicals
Application	Hand or optional applicator
Warranty	2 year limited

SafetyTac® 2.0 will hold up under the toughest conditions, including dirty, oily and wet work environments like auto shops.

# SAFETYTAC®

## SafetyTac®

This durable floor marking tape can handle your facility's high traffic levels and tough conditions.

- DURABILITY ●●●●○
- ADHESIVE ●●●●●
- RIGIDITY ●●●●○
- THICKNESS ●●●○○

### ✓ INDUSTRIAL STRENGTH

Holds up to forklifts, pallet jacks, floor scrubbers, and trucks. Resists water and most chemicals.

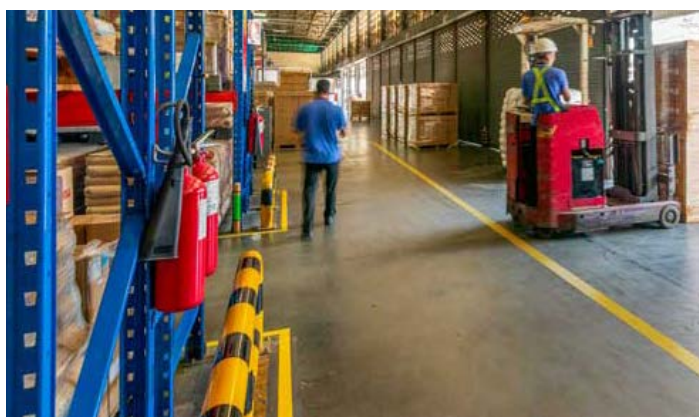

### ✓ FORKLIFT RESISTANT

Pallets, carts, forklifts, and heavy traffic go right over this resilient floor tape.

SafetyTac® floor marking tape is designed to withstand the tough conditions of an industrial workplace. SafetyTac®'s resilient material holds up to traffic and spills, and its reinforced rubber-based adhesive keeps it in place, so it will get the job done for a long time. SafetyTac®'s unique design prevents the tape from getting caught on wheels or pallets, meaning vehicles can easily slide over the tape without causing damage. SafetyTac® also has a low profile, so it won't make walking surfaces uneven - no need to worry about pedestrians tripping.

Warranty	1 year limited

Use SafetyTac® to create perfect aisles, pathways, and boundaries that last for years in tough conditions.

# SAFETYTAC®

## SafetyTac® Lean

This floor marking tape has the lowest profile of our tapes, so you'll have smooth walking surfaces.

- DURABILITY ●●●●○○
- ADHESIVE ●●●●○○
- RIGIDITY ●●○○○○
- THICKNESS ●●○○○○

### ✓ ULTRA-LOW PROFILE

An ultra-low profile allows you to create smooth floor markings. It's so thin, you'll barely notice it's there.

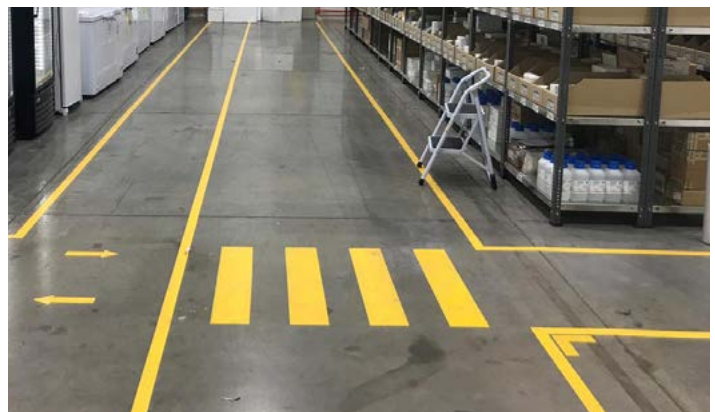

### ✓ INDUSTRIAL STRENGTH

Holds up to forklifts, pallet jacks, floor scrubbers, and trucks. Resists water and most chemicals.

SafetyTac® Lean floor marking tape is made with the same durable material as standard SafetyTac®, but it has an ultra-low profile that's 40% thinner than most other industrial floor marking tapes. This means that vehicles will have no problem moving over it and walking surfaces will be even. Perfect for facilities with moderate foot and vehicle traffic, SafetyTac® Lean was designed like SafetyTac®, so wheels and pallets won't get caught on it. It is also resistant to water and chemicals.

Material	PVC composite
Thickness	17 mil (0.017")
Adhesive	Reinforced clear acrylic
Resistance	Moderate industrial and vehicle traffic, forklifts and pallet jacks, heavy foot traffic, industrial scrubbers, water, many common chemicals
Application	Hand or optional applicator
Warranty	1 year limited

Orange		SL206	SL406
Blue		SL207	SL407
		<b>\$89.00</b>	<b>\$129.00</b>

SafetyTac® Lean is a durable, cost-effective solution to creating safe walkways, and visual boundaries for warehouse equipment.

## SafetyTac® Hazard

This striped tape draws attention to dangerous areas and holds up to tough industrial conditions.

- DURABILITY ●●●●○
- ADHESIVE ●●●●●
- RIGIDITY ●●●○○
- THICKNESS ●●●○○

### ✓ HAZARD-STRIPED PATTERN

Hazard-striped pattern provides a noticeable visual cue to identify areas that require extra caution or attention.

### ✓ INDUSTRIAL STRENGTH

Holds up to forklifts, pallet jacks, floor scrubbers, and trucks. Resists water and most chemicals.

	2" x 100'	3" x 100'	4" x 100'	6" x 100'
<b>Black/Yellow</b>	STH270	STH370	STH470	STH670
<b>Red/White</b>	STH271	STH371	STH471	STH671
<b>Black/White</b>	STH272	STH372	STH472	STH672
<b>Green/White</b>	STH273	STH373	STH473	STH673
	<b>\$159.00</b>	<b>\$179.00</b>	<b>\$199.00</b>	<b>\$239.00</b>

SafetyTac® Hazard floor marking tape is designed to draw attention to dangerous areas in the workplace, and stand up to the tough conditions of an industrial facility. The two-tone stripe pattern comes in 4 color options so you can highlight different types of hazards. SafetyTac® Hazard's durable material can withstand traffic and spills, and its reinforced rubber-based adhesive keeps it in place - so you can count on it getting the job done for a long time. SafetyTac® Hazard's design allows wheels and pallets to slide over it without snagging, meaning the tape won't get damaged either.

Material	Hazard-striped PVC composite
Thickness	35 mil (0.035")
Adhesive	Reinforced rubber/cloth
Resistance	Industrial equipment, cars and trucks, forklifts and pallet jacks, heavy foot traffic, industrial scrubbers, water, many common chemicals
Application	Hand or optional applicator
Warranty	1 year limited

Use SafetyTac® Hazard to draw attention to dangerous areas that could harm or kill employees.

# SAFETYTAC®

## SafetyTac® Lean Hazard

This tape combines a low profile with hazard striping to call attention to danger anywhere in your facility.

- DURABILITY ●●●●○○
- ADHESIVE ●●●●○○
- RIGIDITY ●○○○○○
- THICKNESS ●○○○○○

### ✓ HAZARD-STRIPED PATTERN

Hazard-striped pattern provides a noticeable visual cue to identify areas that require extra caution or attention.

### ✓ ULTRA-LOW PROFILE

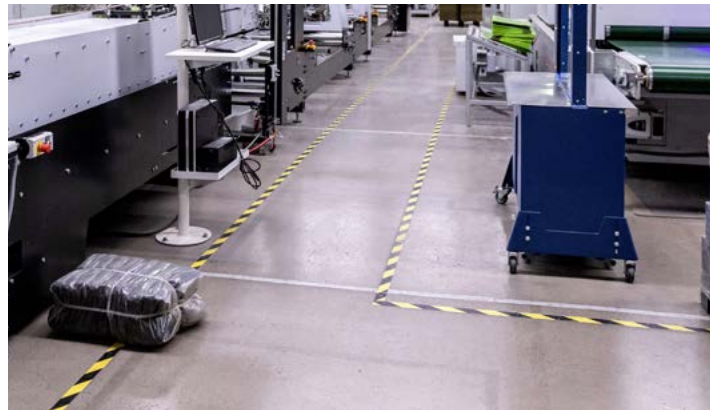

An ultra-low profile allows you to create smooth floor markings. It's so thin, you'll barely notice it's there.

SafetyTac® Lean Hazard combines the eye-catching pattern of hazard tape with the ultra-low profile of SafetyTac® Lean. SafetyTac® Lean Hazard is available in 4 striped color combinations that allow you to draw attention to dangerous areas in your workplace.

Like SafetyTac® Lean, this tape sits smoothly on your floors. It's also resistant to water and chemicals. Choose SafetyTac® Lean Hazard for moderate-traffic areas where you also need hazard alerts.

Material	Hazard-striped PVC composite
Thickness	15 mil (0.015")
Adhesive	Reinforced clear acrylic
Resistance	Moderate industrial and vehicle traffic, forklifts and pallet jacks, heavy foot traffic, industrial scrubbers, water, many common chemicals
Application	Hand or optional applicator

## SafetyTac® Shapes

Keep pallets, machinery, and materials where they belong with floor marking shapes. SafetyTac® Shapes round out our SafetyTac® collection of products with specific, made-to-order elements that complete your floor layout.

Once you've installed floor marking shapes, try combining them with other floor marking tapes to create a complete floor marking system.

[www.creativesafety.com/safetytac-shapes](http://www.creativesafety.com/safetytac-shapes)

All SafetyTac® Shapes ▶ pg. 56

### EASY TO APPLY

Just peel off the backing and stick the tape to a clean, dry surface.

### WIDE VARIETY OF SHAPE OPTIONS

Durable shape styles, colors, and sizes for every job.

### LOW PROFILE, HIGHLY RESISTANT

Shapes sit smoothly on the floor - won't cause snags or tripping. Resistant to all kinds of industrial equipment and traffic.

## How to Order SafetyTac® Shapes

To build part number, start with **base part number** (ie: STC6) and add two digit **color code** modifier (ie: 01) to create a final part number of STC601.

## A. Industrial Colored Traction Tape

- Provides enhanced footing indoors or outdoors while offering visual warning of an edge or slip hazard
- Grit/anti-slip factor: 60 grit (Standard)
- Resistant to water and chemicals once applied
- Peel and stick application; adheres to most clean, dry surfaces
- Removable backing liner
- NFSI 101-A "High Traction" and meets or exceeds OSHA 1910.24, 1910.26 and ANSI B101.1

A

Embedded grit texture gives traction tapes superior anti-slip qualities

### Reflective Floor Tape

- Reflective surface - perfect for marking areas with reduced lighting or visibility
- 7-year indoor/outdoor rating
- Durable 6mil vinyl tape - comparable to 3M 5700 style tapes
- Removable backing liner
- Aggressive adhesive will adhere to almost any surface

## Neon Brite Tape

- High intensity reflective surface reflects 4x more light than standard reflective tapes
- Extremely fluorescent yellow/lime color stands out in any condition
- "Honeycomb pattern" type III material
- 7-year indoor/outdoor rating
- Meets or exceeds ASTM D-4956-99
- Removable backing liner

PART NUMBER	COLOR	WIDTH	LENGTH	PRICE
RBRF201S	Yellow	2"	30'	\$109.00

## Conspicuity DOT-C2 Tape

- Designed for use on trucks and trailers to provide a clear warning to oncoming motorists to help reduce accidents.
- Weather and solvent resistant, resists cracking around rivets
- "Honeycomb pattern" type III material
- 7-year indoor/outdoor rating
- Exceeds NHTSA standards for marking vehicles
- Removable backing liner

PART NUMBER	COLOR/PATTERN	WIDTH	LENGTH	PRICE
DOT711S	Red (11") / White (7")	2"	30'	\$29.00

## TAPES THAT GLOW!

### Glow-in-the-Dark Tape

- Photoluminescent material glows in the dark, providing critical assistance during emergencies or other situations when lights may suddenly go out
- Ideal for staircases and other typically dim areas, but not just for floors!
- Removable backing liner
- Glows for 3+ hours
- Charges in under 30 mins

### Glow-in-the-Dark Traction Tape

- Provides industrial anti-slip qualities with a durable glow-in-the-dark tape
- Ideal for marking stairs
- Removable backing liner
- Glows for 3+ hours
- Charges in under 30 mins

PART NUMBER	COLOR	WIDTH	LENGTH	PRICE
TRAC230	White/Glow	2"	60'	\$49.99
TRAC430	White/Glow	4"	60'	\$99.99

## Smart Stripe Tape™

Smart Stripe Tape™ is a cost-effective, durable solution for marking floors and will withstand heavy pedestrian traffic and moderate equipment traffic.

- Not your “average vinyl”
- Cost effective and durable - withstands forklift and heavy pedestrian traffic
- Tear, stretch, and curl-resistant
- Quick-release liner
- Chemical, weather, water, and UV resistant

Keep your facility safe, productive, and clean with eye-catching, OSHA-compliant signs

## Signs

For a facility to operate smoothly, it needs an effective visual communication system. Floor signs, wall signs, labels, and other signage play a key role in informing people about hazards, instructions, wayfinding, and organizational requirements.

# How to Order Signs

Use the steps below to get the signs you need, quickly and easily. Questions? Call us at 1-866-777-1360.

## 1. Choose design(s)

Browse through this catalog to find the right signs for your needs. We have thousands more designs available online.

Still don't see what you need? You can design your own sign online, or call to have our designers do it for you!

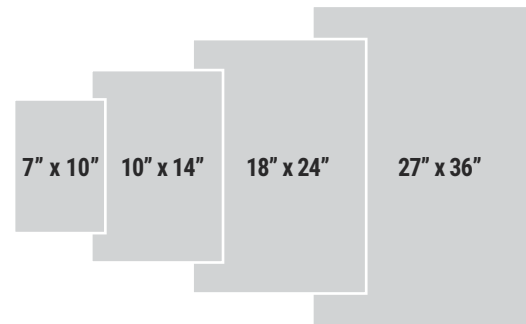

WS26037

## 2. Select size(s)

Select the dimensions for your sign (landscape and portrait signs share the same dimensions).

Need a custom size? Give us a call. Custom sizes available for most sign types (Aluminum signs only available in standard sizes).

## 3. Specify substrate

Select the substrate (or type of adhesive for peel and stick signs).

	PVC	ALUMINUM	MAGNETIC	PERMANENT ADHESIVE	REMOVABLE ADHESIVE
7" x 10"	\$13.99	\$22.99	\$20.49	\$13.99	\$13.99
10" x 14"	\$18.99	\$28.99	\$28.99	\$18.99	\$18.99
18" x 24"	\$52.99	\$84.99	\$69.99	\$52.99	\$52.99
27" x 36"	\$115.49	-	-	\$115.49	\$115.49

(see pg. 53 for more info on sign types)

## Sign Substrates and Adhesives

We offer a variety of materials to finish your sign and match the needs of your application. See page 66 for details on how to order a sign. Questions? Call us at 1-866-777-1360

PVC

### PVC

Most popular choice. Ideal for most indoor applications.

This durable, long-lasting material can weather UV rays, and is water and chemical resistant.

AL

### Aluminum

Great for traffic signs, safety signs, and more.

Rugged, rustproof white aluminum provides excellent performance for outdoor or indoor environments. (Available in 3 sizes)

MG

### Magnetic

Durable construction for magnetic applications.

Made from industrial-strength magnetic material, these signs are perfect for in-flux environments like warehouses.

PS

### Permanent Adhesive

Just peel and stick for a long-lasting high quality sign.

Equipped with industrial-grade adhesive, these signs have the power to stick and stay for good.

RM

### Removable Adhesive

Perfect for temporary uses. Can be reused in many applications.

This sign provides stellar performance while allowing for hassle-free removal.

# THREE WAYS TO GET FREE SIGN CUSTOMIZATION!

## 1 MODIFY ANY EXISTING SIGN IN OUR COLLECTION.

You can:

- ✔ Change layout
- ✔ Change wording
- ✔ Change colors
- ✔ Change size
- ✔ Add new symbols or text
- ✔ Add company logo

Call us today to get started  
**1-866-777-1360**

## 2 SEND A DRAWING OR PHOTO OF YOUR SIGN CONCEPT.

Send us an email with your sign idea ▼

✉ [custom@creativesafety.com](mailto:custom@creativesafety.com)

Have custom sign ideas or artwork? We can make **ANY SIGN** for you.

Send us your art, screenshot, any graphic file, or just a description!

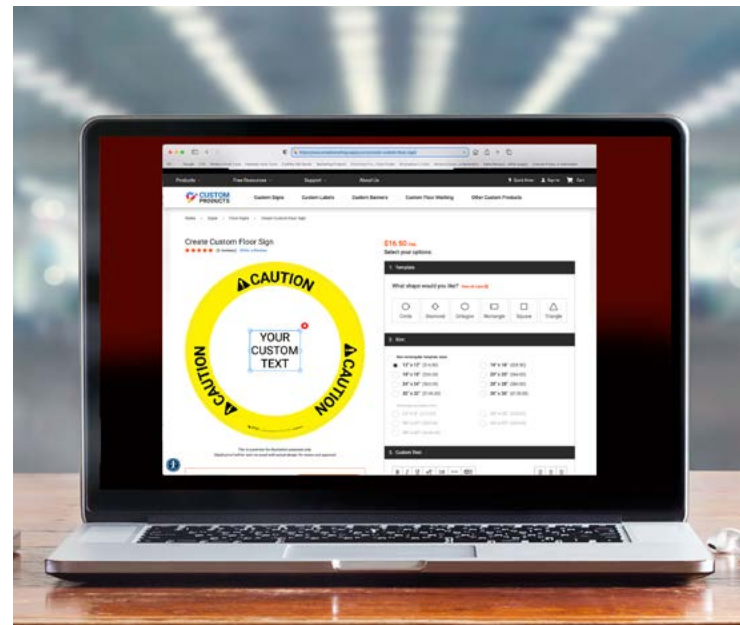

We will work with you to create the sign you need.

## 3 USE OUR ONLINE SIGN BUILDER TO DESIGN YOUR SIGN, AND ORDER IT DIRECTLY.

Our simple design and order process will help you create a professional looking sign with your specific message.

# ANSI 1967 vs. ANSI 2011

## The Two Faces of OSHA Sign Compliance

To keep your company safe and OSHA compliant, you have two choices when it comes to safety signs - which style best suits you?

Since OSHA's 2013 Safety Sign update, businesses have two guides to follow to stay OSHA compliant. Companies can either adhere to USASI Z53 and Z35 (ANSI 1967) or ANSI Z535 (ANSI 2011).

As both styles are OSHA compliant, businesses have some freedom of choice. Take a look at the differences in the two styles below, and pick whichever better suits your needs.

ANSI 1967

ANSI 2011

Often calls for short, easily-understood messaging	Messaging is often used for longer, more complex messaging
Doesn't always use symbols	Standardized, universally-understood symbols appear on every sign
Messaging is centered and text is written in all caps	Messaging uses mix of upper and lower-case letters that reads from left to right, which can be easier to read
Doesn't always incorporate description of hazard or consequence and instructive emergency statement	Includes additional information, such as hazard description and emergency info, which adds additional protection for company

Learn more ▼

[www.creativesafetysupply.com/OSHAsigncompliance](http://www.creativesafetysupply.com/OSHAsigncompliance)

### Choose the right signal word and header for the hazard

(Note: ANSI 1967 styles vary slightly from ANSI 2011, but header color code and signal word is the same for each category)

**DANGER** OR **⚠ DANGER**

What it means: if hazard is not prevented, it **will** result in **critical or fatal injury**.

(ANSI 2011) Red header, white text that states DANGER; (ANSI 1967) black/red header, white text states DANGER

**WARNING** OR **⚠ WARNING**

What it means: if hazard is not prevented, it **could** result in **critical or fatal injury**.

Orange header, black text that states WARNING

**CAUTION** OR **⚠ CAUTION**

What it means: if hazard is not prevented, it could result in **minor, nonlethal injury**.

(ANSI 2011) Yellow header, black text that states CAUTION; (ANSI 1967) black header, yellow text that states CAUTION

**NOTICE** OR **NOTICE**

What it means: sign contains **non-hazard**-related information.

(ANSI 2011 and ANSI 1967) Blue heading, white text that states NOTICE

**SAFETY INSTRUCTIONS**

What it means: message contains **safety instructions or procedures**.

(ANSI 2011 and ANSI 1967) Green header, white text that states SAFETY INSTRUCTIONS

## Custom Warehouse/Logisitics Signs

Visual communication helps industrial facilities operate better. We offer a wide arrangement of custom warehouse and logistical signs that will help your company thrive.

Ordering is easy! Just call us today

**1-866-777-1360**

or email [custom@creativesafetysupply.com](mailto:custom@creativesafetysupply.com)

### Rack-Mounted Aisle Signs

Communicate aisle numbers to warehouse personnel to help keep operations streamlined, productive, and quick. A great addition to any area that requires visual marking.

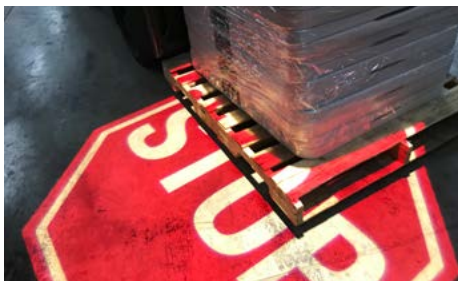

### "Days Without Injury" Signs

Keep workplace safety at the forefront of their minds, and allow management to keep track of injuries. Make it easy to keep track of what type of incidents are reoccurring so that safety protocol can be updated accordingly.

### Crosswalks

Well marked crosswalks can reduce injuries in your warehouse or facility. Our durable crosswalks have bright colors and clear messages.

### Virtual Signs

Displays indestructible, bold signs and lines projected onto floors or other surfaces, which gives you and your employees bright visual cues while the hardware is mounted safely out of the way.

### Wall Signs

Equipped with OSHA-compliant headings, signal words, and symbols. Available in several materials, including PVC, aluminum, and adhesive-backed vinyl.

### Floor Signs

Save time and increase efficiency with aisle floor signs. These floor markings make navigation and organization easier for workers and visitors.

# How to Order Floor Signs

Ready to order your floor sign? Simply follow the steps below and you'll have your floor marking product in no time.

## 1. Choose design(s)

Find the right signs for your needs. We have thousands of floor sign designs online for you to choose from. Note the part number (FS20001).

FS20001

## 2. Specify a size and sign type

Select the desired dimensions for your signs.

If you need a custom size, give us a call. We can customize an existing sign, or design a new one to your specifications.

We also have an online sign builder, so you can design your own sign, and order it directly.

## Door Swing Signs

Highly visible door swing area floor signs are perfect for high-traffic doorways. Door swings come in half and full sizes, and these floor markings are built with tough, industrial strength material.

- Prevent items, equipment and people from blocking doorways
- Available in both half-swing and quarter-swing options
- Fits door frame widths from 28" to 36"
- Extremely durable

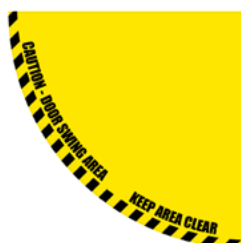

### ? How to Order Door Swing Signs

Measure the door opening width of your doorway. For doors that open a full 180°, choose a Half-Swing sign. For doors that open 90°, choose a Quarter-Swing sign.

If you need a different color or message, we can customize any door swing sign to meet your needs. Call or email to get started!

# SIGNCAST™

## Indestructible Virtual Floor Signs & Aisle Marking Lines

SignCast™ Virtual Floor Sign Systems are the perfect solution for creating bright signs and lines in areas where conventional signs won't hold up because of high traffic levels or imperfect floors.

Shop SignCast® ▾

[www.creativesafetysupply.com/signcast](http://www.creativesafetysupply.com/signcast)

Easy installation

Long-life, high output LEDs

Project up to 50' distances

For most lighting conditions

### **i** How SignCast™ Virtual Floor Signs work

Using state-of-the-art laser technology, the SignCast™ Virtual Sign unit displays bright, eye-catching signs that can't be worn down by foot or forklift traffic. Using an image plate and a high-output LED bulb, SignCast™ Virtual Sign units project a clear sign of up to 20' x 20'. Have any additional questions about SignCast™? Give us a call at 866-777-1360.

## SignCast™ S300 Virtual Sign Unit

SKU: S300 | \$1,949.99/ea.

Call us to place an order- 1-866-777-1360

The SignCast™ S300 Virtual Sign Unit is the ideal way to display bright floor and wall signs in locations where high traffic or uneven floors make using traditional signs difficult. Easy to mount and adjust, this model works well in almost all lighting conditions. Once installed, there's virtually no maintenance, and you won't need to worry about replacing damaged signs on your floors or walls.

- Includes S300 unit and stock or custom gobo image
- Long-life, high-output LED bulb (great for nearly all lighting conditions)
- Project clear signs at distances up to 50 feet\*
- High-quality glass lens for extra sharp image display
- Wide variety of sign images (including crosswalks) can be displayed
- 1-year manufacturer warranty

**⚠ To order a SignCast you'll need:**

- **Desired Image** (from our options or your custom image)
- **Approx. mounting height** (distance from floor to your mounting location)
- **Approx. desired sign size**

## SignCast™ S200 Virtual Sign Projector

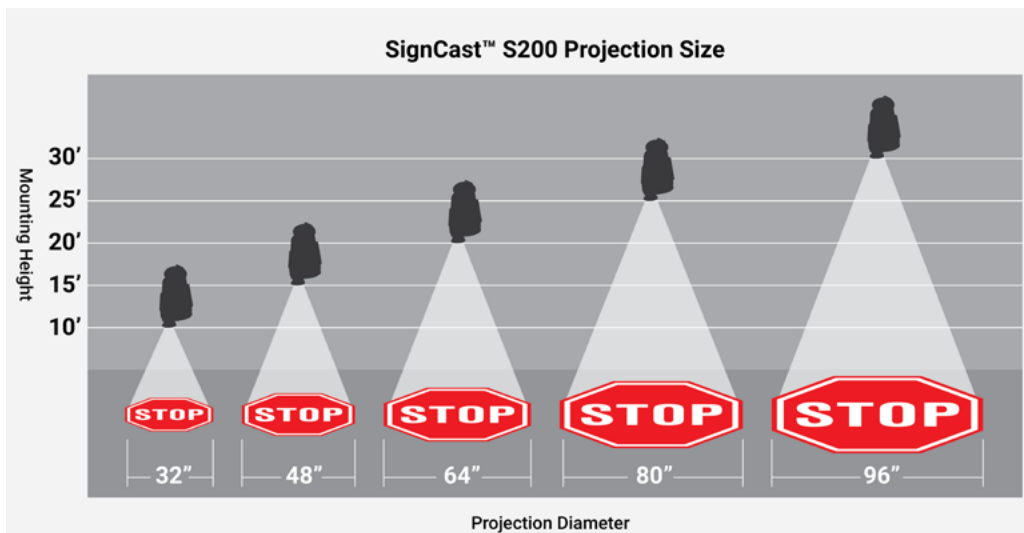

SKU: S200 | \$995.00/ea.

Call us to place an order- 1-866-777-1360

The SignCast™ S200 Virtual Sign unit sets up quickly and once installed requires very little maintenance other than routine cleaning. There are many available gobo designs to choose from. Or you can customize one to suit your needs at no additional cost. The S200 is budget-friendly, but it's still a quality sign projector. Follow the link below to shop all the available designs, or give us a call and we can help you design a gobo to fit your needs.

- Includes S200 unit and stock or custom gobo image
- Long-life LED bulb projects at distances up to 43'
- Simple installation and setup
- 1-year manufacturer warranty

## SignCast™ SCLP150 Virtual Line Projector

SKU: SCLP150 | \$1,299.00/ea.

Call us to place an order- 1-866-777-1360

This line projector can help mark aisles, forklift or pedestrian lanes, and boundaries, in places where floor markings are not practical.

The SignCast™ SCLP150 Virtual Line Projector comes with versatile mounting options so you can locate the projector where you need it.

- Line length: Up to 80ft in dim lighting
- Line width: 3 to 6 inches
- Available in four projection colors
- Holds up to harsh industrial environments

YELLOW

GREEN

BLUE

RED

Lens choice (and mounting height) will determine the length of the virtual line. The 90° lens can project twice the length of the 53° lens (73° lens is 1.5X the length of the 53° lens). However, as shown in the table below, the brightest line is achieved with the 53° lens.

Use multiple line projectors mounted sequentially to achieve longer line lengths.

Lens	Beam Mult.	Value	Projection Distance (in feet)											
			9	12	15	20	24	30	36	39	46	52	60	66
53°	1.00	Length (ft)	9.0	12.0	15.0	20.0	24.0	30.0	36.0	39	46	52	60	66
		Brightness (fc)	1849	1040	666	374	260	166	116	98	71	55	42	34
73°	1.50	Length (ft)	13.5	18.0	22.5	30.0	36.0	45.0	54.0	58.5	69.0	78.0	90.0	99.0
		Brightness (fc)	1600	900	576	324	225	144	100	85	61	48	36	30
90°	2.00	Length (ft)	18.0	24.0	30.0	40.0	48	60	72	78	92	104	120	132
		Brightness (fc)	1493	840	538	302	210	134	93	80	57	45	34	28

Illumination Values	
700+	Extreme brightness for extremely bright environments, extremely bright production environments (no direct sunlight)
180-700	Very high brightness for very bright environments, such as very bright production floor
100-180	The most common brightness bracket for regular production floors
60-100	Sufficient brightness for bright and medium bright warehouses
40-60	Sufficient brightness for dim to medium bright warehouses

# Lean Manufacturing and 5S

Lean manufacturing is a school of thought that approaches work seeking to deliver high-quality products to customers as efficiently as possible. As one of the foundational methods of Lean, 5S focuses on creating a system of organization that is both easy to maintain and improves productivity and safety. Want your business to run more smoothly? Lean can help.

# What is “Lean”?

Lean manufacturing seeks to improve production processes in an effort to increase efficiency. The methods of Lean manufacturing have been developed by some of the best engineers and management experts in the world, and these methods have transformed the way companies manufacture products. Lean can help transform your company's production.

## ◀ Digging deeper into Lean Manufacturing

Lean manufacturing encompasses a vast range of ideas. It can be overwhelming to figure out how to get started. We've made it easy.

We created a resource center that makes learning about these new concepts easy and painless. Our articles are accessible and informative, and our glossary will help you understand the various terms associated with Lean manufacturing.

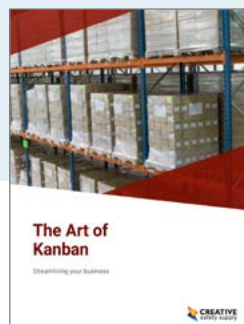

Lean Articles, Infographics, Podcasts and more:

# What is 5S?

One of the foundational methods of Lean manufacturing, 5S is a systematic form of visual management designed to **maximize efficiency, production, and profit**. 5S consists of 5 steps that, once implemented, create and maintain smart production processes. If you are looking to improve the way your facility operates on a day-to-day basis, 5S is for you.

## The five S's are:

### Sort

Sort is the process of **removing** items unnecessary for current production from the workspace.

### Set in Order

Set in Order is the step where workers **organize** all the items left in the workplace in a logical way so they make tasks easier to complete.

### Shine

Shine means workers make proactive efforts to keep work areas **clean and orderly** to ensure productive and purpose-driven work.

### Standardize

Standardize calls for the **creation of standards** for both organization and processes. Essentially, this is where you take the first three S's and make rules for how and when these tasks will be performed.

### Sustain

The Sustain stage of 5S calls for workers to **maintain new practices** and conduct audits to ensure standards stay in place.

As seen in the above photos, 5S takes messy areas and transforms them into sleek, tidy spaces where everything is accounted for and in its place.

See more of our customer's 5S projects at [www.creativesafetysupply.com/customer-photos](http://www.creativesafetysupply.com/customer-photos)

**FREE DOWNLOAD:  
5S GUIDE**

This comprehensive, 24-page guide details how 5S programs work and explains how to start one of your own.

## A. Tool Outline Vinyl / Shadow Board Tape

Create shadow boards for your tools and workplace items

- Trace your items, cut them out, then just peel and stick the shapes to a backing board or wall
- Each roll should be able to cover a 4' by 8' shadow board
- Roll dimensions: 15' L x 15" W

[www.creativesafetysupply.com/tool-outline-vinyl](http://www.creativesafetysupply.com/tool-outline-vinyl)

PART #	DESCRIPTION	PRICE
TOV01	Tool Outline Vinyl - Yellow	\$20.00
TOV02	Tool Outline Vinyl - White	\$20.00
TOV03	Tool Outline Vinyl - Black	\$20.00
TOV04	Tool Outline Vinyl - Red	\$20.00
TOV05	Tool Outline Vinyl - Green	\$20.00
TOV06	Tool Outline Vinyl - Orange	\$20.00
TOV07	Tool Outline Vinyl - Blue	\$20.00
TOV08	Tool Outline Vinyl - Gray	\$20.00

### ? How is this product used?

Creating a tool outline system with Tool Outline Vinyl/Shadow Board Tape is easy.

1. Roll out Shadow Board Tape with the white backside facing up. Arrange tools on white backing in a way that makes logical sense to you, leaving at least a 1-inch clearance between tracing.
2. Take a pencil or marker and trace all of the desired tools onto the white backing (the tracing on the back of the tape is the reverse of what it will look like from the front of the tape).
3. Cut out the traced shapes.
4. Peel the white backing off and stick the vinyl shape to the desired surface (tool pegboard, for example).

**5S TAPE™**

## 5S Tape™ Multipurpose Tape

5S Tape™ Multipurpose Tape will help you improve safety and organization in industrial workplaces and is a useful tool for 5S programs. 5S Tape™ Multipurpose Tape is made from strong vinyl material and can be used for a variety of applications such as marking floors, walls, doors, shelving, supplies, equipment, and anything else.

Starting at \$5.99/roll

### How to customize "You-Cut" Foam Tool Kits

#### 1. Trace

Using a pencil or pen, trace the outline of tools or objects onto the white rear liner of the top sheet.

#### 2. Cut

Using a fine bladed X-Acto knife or cutter, cut out the traced outlines from the top sheet. Remove the foam cutouts, and discard.

#### 3. Peel & Stick

Peel the white liner from the top sheet and adhere to the secondary/bottom sheet (if applicable).

#### 4. Install

Place in your tool drawer and place the tools in their correct place. You're done!

## Blank Foam "You-Cut" 2-Color Kits (continued)

## Optional Add-ons for Posters

### Add UV Lamination +\$4.50/ea

Posters look their best at their brightest, so preserve the life of your poster by protecting it from fading with UV lamination.

### Add Poster Hangers +\$8.25/ea

Plastic hanging clips make it easy to display posters in any location without damaging the poster.

### Add Poster Sleeve +\$14.95/ea

Clear plastic poster sleeves can display the poster vertically or horizontally, and will extend the life of the image exponentially.
